Apartment "Il Palazzo" Pietrasanta

In a position of absolute value, in the center of Pietrasanta, Leonardo Real Estate offers this apartment of over 260 square meters equipped with a lift and a garage of 40 square meters. The property is located on the second floor of one of the most prestigious buildings in the town of Pietrasanta and looks like a real pearl in the city center.

The cathedral, the squares, the streets of the center and the art are the corollary to this new proposal by Leonardo Real Estate.

The splendidly exposed apartment has a double entrance that leads from one side to the living area and from the other to the sleeping area. The living area consists of a kitchen and an immense double living room with frescoes and impressive ceilings and original finishes connected by large antique wooden doors.

The sleeping area contains three comfortable double bedrooms and three bathrooms.

The apartment has recently been completely renovated and is suitable as a main residence as a representative and prestigious property given its unique location in the city of Pietrasanta.

The private lift and the garage with double access both for vehicles and for pedestrians and cycle paths make it an absolute first-floor proposal in the real estate panorama.
